Annunciation School financial woes threaten closure of school

By BRENDA HEATHCOCK

The Annunciation Catholic School in Kiln needs help from the community to open the school's doors next year.

"If we can not get help and support the school will have to close," said William Vrazel, chairman of the Parents Action Committee.

The school was informed in September that the grant foundation of Missionary Services of the Holy Trinity, which has been providing funding for the school for the past 20 years, has been depleted.

Funding has already been provided for the school throughout the 1984-85 school year but no more will be received from Missionary Services.

Vrazel said the parents committee had been formed to come up with ways to keep the school going and to find funding to replace the grant money.

At this time the school has 127 students enrolled.

One of the plans to find alternate funding for the school is to increase the enrollment to 160.

Across-the-board budget cuts have also been made to reduce expenses for next school year, Vrazel said.

Budget cuts include elimination of the busing service and janitorial employees.

Vrazel said the parents committee also hopes to reduce the budget by securing professional services from volunteers.

"We are trying to get a list of professionals, including electricians, plumbers, etc. who are willing to donate their time to help out," Vrazel said.

An increase in tuition is also being considered to help offset the expenses.

Sister Lorraine Blanchette, principal, said that many parents who had been contacted about the increase in tuition realized the need.

"But we have told those who will have problems meeting the increase to come and talk with us and we will try and work something out," she said.

"We don't want Annunciation School to become a school just for the rich," she added, "but we have to have tuition from every student."

Mel Stomeyer, chairman of the school board, said the results of pre-enrollment have been very encouraging.

"Over 100 of the students have already indicated that they will be

Former Bay resident dies in Slidell crash

By DENA BISNETTE

A former Bay St. Louis resident died early Saturday in Slidell, La., when the car in which he was a passenger collided with an 18-wheeler truck.

According to a report from the Slidell Police Department, the accident killed two Slidell residents, Donald Marquar Jr. and Sandra Nixon. Marquar was a former Bay St. Louis resident.

Both were dead on arrival at Slidell Memorial Hospital, a police spokesman said.

The accident occurred at about 2:30 a.m. Saturday morning on Ponchatrain Drive near College Street. According to the report, Nixon's vehicle apparently went through a red light, skidded, and slid into the truck, which was making a left turn onto the street from a parking lot.

Charles Ferrell of Mariana, Fla., who was driving the 18-wheeler, was not injured.

The Slidell Police Department is still investigating the cause of the accident.

Bay police arrest two for kidnapping, rape

By DENA BISNETTE

Two Bay St. Louis residents were arrested Friday night on multiple charges including kidnapping.

Acting Bay St. Louis Police Chief Murray Ladner reported Saturday that Willie Watson, 23, and Rene Barletter, 22, both of Bay St. Louis, are being held in the Hancock County Jail on charges of kidnapping, rape and assault and battery.

Watson is also charged with attempted robbery.

Ladner said the charges stem from a Friday night incident in which the two allegedly picked up a female subject outside the Junior Food Market on St. Francis Street and forced her into a vehicle shortly after 7 p.m.

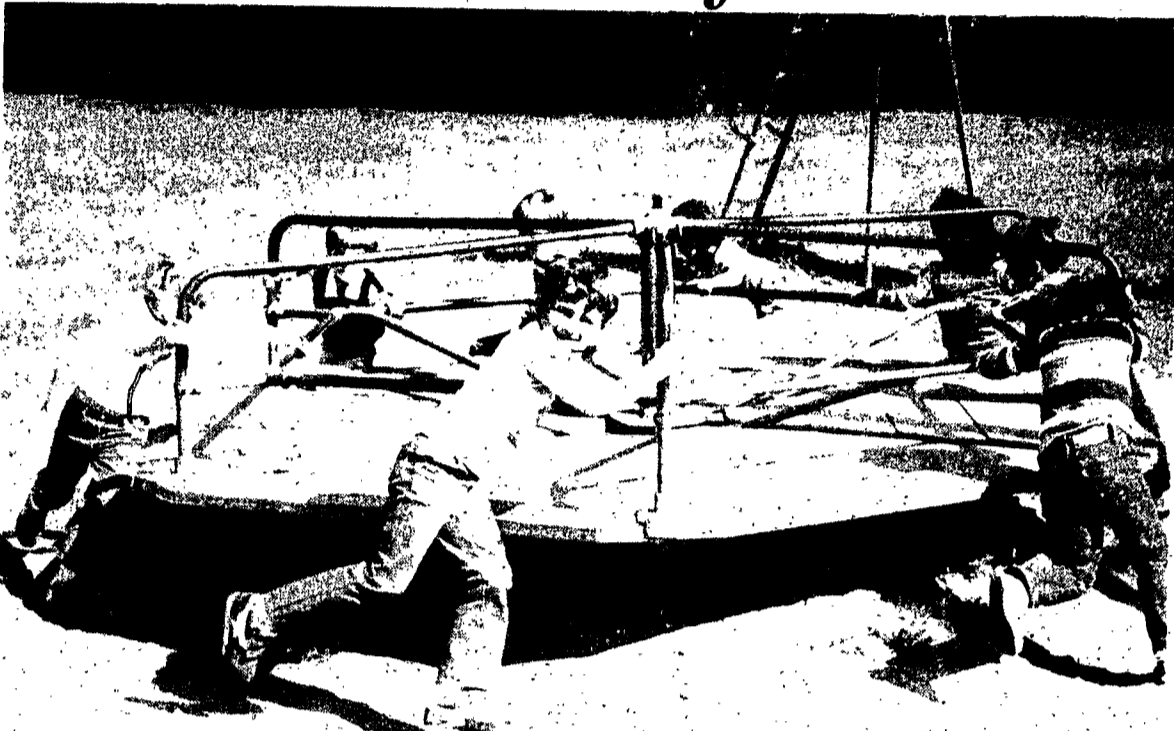

"They reportedly drove her around town for about 20 minutes, then took her to Watson's residence on Easterbrook Street, where they allegedly raped her and slapped her around," he reported.

"One of the subjects advised her that she was to go back and get some money for them, then released her."

Barletter was later arrested at his residence at 313 S. Nacaise St. and Watson turned himself in at the police station, Ladner said.

The arrests were made by Investigator Joe Pica, Officer Wilbert Darney, Auxiliary Patrolman Rita Blaise and Lt. Gary Crum at about 10 p.m., Ladner said.

Bond has been set at \$40,000 for Watson and \$30,000 for Barletter.

Tuesday runoff to fill three county positions

By BRENDA HEATHCOCK

County residents Tuesday will vote for District 3 and 4 election commissioners and one school board member.

District III Election Commissioner John V. Ladner said the commission expects a light turnout for the election.

"Many people are misinformed on the importance of the position of election commissioner," Ladner said.

"The commission has made progress in the past few years, and it will not be long before the Hancock County election commission is a model for the entire state," Ladner added.

In the election, Ladner will be facing opponent Betsy Nolan.

Nolan, an eight-year resident of Hancock County, says it is important to have a responsible leader as election commissioner.

"I have been an active public leader for the past eight years and hope to serve as election commissioner the next four years," she said.

In the District 4 election commissioner race Eugene Dillman and Calvin R. Smith are in the runoff.

Dillman, a local businessman, has been the manager of the South Bay precinct for the past 20 years.

"I like to tend the election boxes

and participate in the elections," he said.

Dillman said he wants to insure that elections are run properly in Hancock County.

Smith said his background and experience qualify him to serve in the position of election commissioner.

He added that he wanted to insure the voters' rights are protected through the conduct of a fair and ef-

Truck strikes child crossing Highway 90

By DENA BISNETTE

An eight-year-old pedestrian was injured Saturday morning when she was hit by a vehicle on Highway 90.

According to Michael Prendergast of Waveland Police Department, Donna Webb, 8, of Pass Christian was taken to Hancock General Hospital after she was hit by a pickup truck.

Hospital Community Relations Director Mary Perkins said Saturday afternoon that Webb suffered a fractured right leg and a fractured

shoulder and was reported in good condition after undergoing surgery.

At the time of the accident, Webb was crossing the highway to go to a family vehicle parked near Sports World, Prendergast reported.

The driver of the pick-up, whose name was not released, was not injured.

Waveland Police Department was assisted at the scene by members of the Waveland Fire Department, Bay St. Louis Police Department and Hancock County Sheriff's Department.

Store robberies may be connected

By DENA BISNETTE

Waveland authorities are speculating that Wednesday night's armed robbery at a local convenience store may be linked to four similar robberies.

Police Chief Donald Dorn said Friday that the general description of the man who stole a purse from Pat Eddy, owner of Pat's Quick Stop on Coleman Avenue, matches descriptions the police obtained after four other convenience store robberies.

Eddy was locking the store at about 10 p.m. when a man who had apparently been hiding behind a trash dumpster approached her and ordered her to give him her purse.

The man, who Dorn said was armed with a handgun, threatened to shoot her if she refused.

The purse contained \$877 in cash and a bank deposit bag with about \$1,200 in cash and checks inside it.

Dorn said the thief was described as 5-feet, 7-inches tall male with a slim build. His head was covered with a hood with eye holes cut in it and he wore gloves, Dorn said.

The description, including the use of the hood and gloves and the type

of weapon, matches descriptions from three robberies at the Waveland Junior Food Store and one at the Majik Market on Sears Avenue.

Dorn said the suspect's race and age are not known because the hood he wore covered his whole head. "Some of the people who described him say he sounded black, but you can't always go by sound," Dorn explained.

The robbery was still under investigation Friday afternoon, Dorn added.

Richardson, post trustee. The post served a holiday meal of turkey and dressing. (Staff photo by Ellis Cuevas).

Committee continues beautification efforts

BY HILDA BOURG
Chamber of Commerce Publicity Chairman

The Hancock County Beautification Committee, under the chairmanship of Chamber of Commerce Director Ellis Cuevas and Extension Home Economist Darlene Underwood, met Friday at the chamber office for committee reports on their 134 accomplishments and plans for 1985.

Cuevas praised the sheriff's department and the Bay St. Louis and Waveland police departments for their cooperation in the war against litter and their assistance in the removal of abandoned automobiles.

Mrs. George Kollasch, representing the Diamondhead Garden Club, gave a report on the beautification of Diamondhead. She told of bulb planting before the Pilgrimage, planting of wildflower seeds on the Interstate interchange and awarding of plaques to the business and resident gardens of the month.

Representing Waveland, Dorothy Sutton showed before and after pictures of landscaping on Coleman Avenue. She is responsible for the aesthetic result of the project.

Her committee is taking one section of Waveland and concentrating on the beautification of the area.

Jerry Heitzmann of Hancock Bank was introduced as the newest member of the beautification committee and as its history chairman will serve as coordinator between the committee and the historical society.

Kathy Fernandez of Coast Electric Power Association, chairman of the poster committee, announced that Peter Neely of St. Stanislaus had won the war against litter poster contest last spring.

Her committee will now sponsor a contest to name the figure and the garbage can as well as a color the poster contest. The finished poster will be reproduced and distributed to businesses to remind people to keep Hancock County clean.

Cuevas announced that the Bay-Waveland Garden Club has donated fertilizer for the magnolia trees and County Agent Lee Taylor has applied it to the trees. He reported that the trees are healthy and growing, thanks to this civic-minded group.

The chairman of the bright spot committee is Janelle Kern. She suggested cleaning the beach by Uman Avenue and the public wharf. Kern also reminded the committee that the tourists in the area are interested in clean beaches and that the committee should concentrate on this immediate problem.

Kern also urged all members of the committee attend the Mississippi Bureau of Marine Resources public meeting Tuesday at 7 p.m. at the court house.

Dorothy Sutton and Hilda Bourg were appointed chairmen of the ways and means committee. Bourg suggested that businesses and civic

organizations be contacted for donations to beautify Hancock County.

Underwood reported on the war on ugliness workshop held in the late summer and the representation of government agencies and organizations at the workshop. Another workshop will be planned in the near future.

Cuevas and Underwood commented on the success this committee had generated in convincing officials to delay work on the Beach Road to the Yacht Club until after the Spring Pilgrimage.

They also reported that newspaper publication of pictures of the county supervisors searching bags of litter for leads to the people responsible for the misdemeanor generated plenty of positive comments. The public needs to be made aware of the litter problem, both said.

Any citizen interested in the beautification of this area is welcome to join the committee, and should contact Ellis Cuevas at Sea Coast Echo or Darlene Underwood at Hancock County Extension Service.

Quotables by Cuevas

Tuesday night is the big night for The Boys Town Choir at the Mississippi Coast Coliseum.

We know John Mason has been working very hard selling tickets for the big event and on Saturday he still had a few left.

Mason was a member of The Boys Town Choir over 30 years ago and will make a guest appearance during the group's performance.

The choir is being sponsored by Coast Episcopal Schools. This is the group's first appearance in the deep South.

Persons interested in tickets can contact Mason at 467-5037.

A wonderful program is scheduled and we hope the Coliseum is filled to capacity for The Boys Town performance.

In just a few short weeks Christmas will again be upon us.

As in prior years, many Bay St. Louis, Waveland and Hancock County youngsters would not have a real Christmas without the help of the Firemen's Doll and Toy Fund.

Bay Fire Chief Andrew Lizana, fund chairman, said more than 500 boys and girls were recipients of toys delivered by the firefighters, Bay St. Louis and Waveland police officers and Hancock County deputies during the week before Christmas last year.

The Firemen's Doll and Toy Fund is funded by the United Way of Hancock County, cities of Bay St. Louis and Waveland, business and individual donations.

Lizana initiated the project many years ago on a small scale by asking residents to bring in old toys which were repaired by our firefighters for distribution to needy youngsters.

The requirement for toys grows each year and as in the past, the old toys are repaired by the firefighters. Citizens with toys they no longer need are asked to bring them to the Bay St. Louis Fire Station, Old Spanish Trail and Bookster Street. Lizana said persons without transportation can call 467-4736 and someone will pick up the toys.

The organization uses cash donations to purchase toys from local businesses who also give them a good price Lizana said.

We know many are wondering how long it will be before construction is started on the new Hancock County Jail.

On Monday the Hancock County Board of Supervisors indicated it would be at least September before all the necessary preliminaries will be completed to allow construction to begin.

Tuesday is election time for Hancock County School District residents in addition to all of those living in Districts Three and Four.

A runoff is scheduled between two persons vying for school board member and election commissioner position for District Three and Four are to be settled.

We are hope many folks will get out and vote because every vote is very important.

LETTERS TO THE EDITOR

Citizens feel race considered in administration of Bay Police Department

Nov. 12, 1984

Dear Mr. Editor:

We would like all the people of this city to wake up and be aware of how the mayor whom we elected is acting.

We feel he is showing irresponsibility to the people that were in his support.

Now we do agree with a letter printed Oct. 7, 1984 where the citizen stated she hoped his selection for the police chief position was not based on color.

But after what we see daily and what has happened, we feel we have no other choice but to believe his changes are based on color and not on skill and leadership.

We believe the suspension of Captain Robert Butler was a very poor political move to place a white in the chief's position. We, the citizens of this city, certainly can't afford to have any means of discrimination in

our city government.

Why was Captain Robert Butler's suspension so over publicized? We are sure his was not the only suspension from the Bay St. Louis Police Department in the past.

Sincerely,
Roman and Elaine Piernas

UW agency, brewer sponsoring holiday safety campaign

Gulf Coast residents are being encouraged to "Know When to Say When" this holiday season through a campaign to promote responsible drinking and avoid drunk driving incidents.

The holiday campaign is being sponsored from Thanksgiving to New Year's by the Committee on Alcoholism & Drug Abuse for Greater New Orleans, a United Way Agency, "Home of the 524 H-E-L-P Number," and Anheuser-Busch, Inc.

"Everyone knows that the holiday season is a time for parties and family get-togethers," said CADA president, A.E. Holmes Jr. "CADA and Anheuser-Busch are sponsoring this alcohol awareness campaign in the hope that drinkers will 'know when to say when' to avoid possible abuses."

The campaign is named after an educational program developed by Anheuser-Busch and sponsored locally by its New Orleans company-owned beer distributorship.

The "Know When to Say When" program includes educational materials to help consumers recognize and observe their own personal limit in order to avoid excessive drinking and drunk driving situations.

Also included is a film, available for group showing, depicting how individuals can avoid the risk and embarrassment of a DWI incident by practicing responsible drinking.

Robert Rippel, general manager of Anheuser-Busch's New Orleans branch, said, "We're very pleased to join the Committee on Alcoholism and Drug Abuse in promoting a safe, beverages for those who do not wish to or cannot drink;

—Remember, coffee, cold showers and walking cannot sober a person. Only time can;

—Don't force drinks on anyone; the person could be on medication, have some medical problem precluding drinking, may be an alcoholic, or simply may prefer non-alcoholic beverages;

—Don't mix alcohol with medication;

—If you're an alcoholic, don't drink;

—If you do drink, Know When to Say When.

Information about alcohol and help for a drinking problem are available by calling the New Orleans help number, 524 H-E-L-P or in Hancock County 255-3413.

happy holiday season."

CADA offers speakers and special programs available for schools, universities and groups dealing with safe drinking, alcohol and alcoholism. Mayors of cities and municipalities, presidents and parishes and other public officials have issued proclamations to encourage holiday safety.

Some tips for the holidays as suggested by Ashton Brisolara of Waveland, CADA executive director, and Chris Landry, alcohol awareness coordinator for Anheuser-Busch, include:

—Eat something before and while drinking;

—If you're drinking, let someone else drive;

—If you host a party, have eatables and non-alcoholic

News From The Governor's Office

Gov. Bill Allain

Many families will be traveling and becoming reunited over the upcoming holidays, but the potential for losing loved ones in highway accidents is particularly great during this period, according to the Governor's Highway Safety Program (GHSP).

"One of the best ways to avoid death or serious injury if a crash occurs," said Carolyn Evans, GHSP state occupant protection coordinator, "is to have the entire family buckled up with safety belts and, if there are young children, with child restraint systems. By making this a 'family affair,' you will be taking a big step toward ensuring that your family celebrations are not marred by the death or serious injury of a loved one."

Ms. Evans noted that "drunk driving increases substantially over the holidays. Buckling up is one of your best defenses against those who are driving under the influence of alcohol or drugs."

"It's the 'second collision,' when occupants of a vehicle who are not wearing safety belts or child restraints are thrown into the vehicle's windshield, steering wheel, doors, dashboard or other interior surfaces, that usually kills or seriously injures," she said. "Also, when the driver is thrown away from the vehicle's steering wheel and brakes, there's no chance of controlling the vehicle after a crash or when it slips on wet or icy pavement."

"Some people think it's safer to be thrown clear of the vehicle during a crash," Ms. Evans notes, "but, to get clear, you might crash through the windshield, fly through a door into a roadside object or be scraped

along the pavement. Then, the vehicle you were in could roll on top of your or another vehicle drive over you. Your chances of being killed are 25 times greater if you are thrown from the vehicle."

She also dispelled the popular myth that high speed is involved in most accidents. "Statistics indicate that more than 80 percent of all accidents occur at speeds of less than 40 miles per hour, and most accidents occur within 25 miles of your home."

Ms. Evans also emphasized the importance of using safety belts and child restraints correctly. "Be sure you know how to use them to gain the most benefits," she said, "and take the time to use the safety belt or child restraint system as it was intended to be used."

Noting that some families don't use child restraint devices because they believe they are too costly, Ms. Evans said that "many hospitals, service clubs and other organizations have child restraint systems to loan for a very low fee or without charge. It's not a case of not being able to afford a child restraint system. If you have small children, you can't afford not to have this important protection."

Even with the widespread availability of child restraint systems, she indicated that "we still need organizations to take on child restraint system loaner programs. It's an ideal lifesaving project."

For information on starting a loaner program or any other aspect of vehicle occupant protection, dial 354-6892 in Jackson or the toll-free Governor's Service Line number, 1-800-222-7622.

Senate tax committee hears race advocates

The special Senate Committee on Taxes heard proposals on establishing a lottery and horse racing in Mississippi at its October meeting.

Robert Mote of Scientific Games, Inc., which supplies lottery tickets, estimated that a state lottery would add \$65 million to the state's general fund its first year.

Start-up cost would be just under \$2 million, he said.

The lottery would be run by the state with local retailers having the tickets available for sale. The retailers would receive 5 to 7 percent of their sales as commission.

Mote said that the studies of state-run lotteries indicate that the overwhelming majority of ticket purchasers are in the \$12,000 to \$28,000 salary range and the average person spends about \$2 per week on lottery tickets.

After the presentation, Senator Howard Dyer of Greenville commented, "I am very much in favor of a lottery. The Legislature cannot pass a bill to create a lottery, but we can offer it to the people for a vote as a constitutional amendment."

Those who have convictions against it don't have to buy a lottery ticket. The Constitution Committee will have hearings in January for proponents and opponents of the lottery."

The Mississippi Horse Racing Association, a non-profit organization founded for the sole purpose of passing a horse racing bill, is seeking a bill to allow the people of Tunica and Jackson Counties to vote on having a race track.

Brown Williams, association president, said that citizens in both counties favor a race track and that the two facilities would bring in over \$15 million to the state general fund, \$13 million to the counties' general funds, an economic impact to the state from the horse breeding industry of \$100 million and 4,000 plus new jobs.

He noted that 80 percent of the wagering would come from out-of-state. The association would finance the construction of the facilities.

Richard Sands, mayor of Tunica, spoke in support of a race track in his county. "We are the poorest county in the nation. We're a leech on the state—we suck money from the treasury and don't put any back. Over 5,000 of our 9,500 population are on welfare. This is strictly an economic thing with us," he said. Although legislation on the pro-

posals would most likely originate in other committees, the Tax Study Committee considered the plans because of the dire need for additional state revenue. Senator Bob Montgomery of Canton, committee chairman, said that for fiscal 1986 there is \$130 million in new revenue forecast.

However, \$100 million is already committed by statutory requirements for programs such as education, new prisons, Medicaid. This leaves only \$30 million for the over \$250 million which agencies have requested in increases over their 1985 budgets. The budget requests do not include salary increases which the Legislature intends to address separately.

Jackson Mayor Dale Danks, Vice President of the Mississippi Municipal Association, addressed the needs of municipalities in the coming year. He noted that the new assessment ratios set by the Legislature regarding ad valorem taxation of property reduced the total assessed valuation of property and resulted in a dramatic shift of the tax burden from business and industry to the homeowners and automobile owners.

"The second problem which the City of Jackson faces as a result of the reappraisal process is the loss of bonding capacity. I strongly urge the Legislature to consider the adoption of new legislation ... which either ties bonding capacity to the tax base of a municipality before the assessment ratio is applied ... or which gives special consideration to municipalities such as Jackson which have lost significant bonding capacity for no good reason," Danks said.

NSTL hosts conferences

The NASA National Space Technology Laboratories recently hosted three major NASA-wide conferences dealing with equal opportunity, legal and management issues.

The week's activities began with a special senior executive program session for the deputy directors of all nine NASA Centers located throughout the country.

The program focused on program planning and management for senior executives by promoting

greater awareness of management style, techniques and philosophies.

When that session ended the deputy directors joined officials from NASA Headquarters, Washington, D.C., for a meeting of the Institutional Management Council. The participants discussed administrative issues facing the space agency.

NSTL also hosted the annual meeting of the NASA chief counsels. The field centers and Headquarters were represented by approximately

60 attorneys. The program was designed to give the participants an opportunity to discuss legal issues and topics of mutual interest.

Special speakers for the meeting included June Brown, NASA inspector general, Mark Feldman of the Department of Justice, and U.S. Attorney John Volz of New Orleans.

A meeting of NASA's Equal Opportunity Council concluded the conference schedule. The EO Council chairman was Roy Estess, NSTL deputy director.

able to return in spite of the increase in tuition," he said.

According to Vrazel, area businesses and industries will also be called upon to help out.

"In addition to asking for donations for supplies, we will ask businesses to 'adopt' a student who is not able to pay the tuition," Vrazel said.

"We fully intend to open the school next year," he said. "It is just going to take a lot of work."

The school is open to children of all religions, Stromeyer said.

"We provide a firm Christian value system they can draw on for the rest of their lives," Vrazel said.

"And that is the reason we have the school," he added.

Annunciation School is a fully accredited AA school and students are tested yearly to compare their learning level to that of students in other private and public schools.

According to the California Achievement Test Analysis, nearly all of the students at the Annunciation School are approximately a year ahead of their grade level.

A report stated the school

averages "have been consistently one standard deviation above the national norms in all areas of the California Achievement Test."

Sister Blanchette said this average has been increasing yearly. "We teach our students to excel, but not to just look out for No. 1," Stromeyer said, "they are also taught to share and help one another."

The parents committee has planned several fund-raisers for this year to supply some of the needed money.

Included among these are a lottery, craft fair and food festival, wine and cheese auction, bingo games, Halloween carnival, candy drive, Christmas gift sale, "Easter candy drive and portrait raffle."

At this time the parents committee is concentrating on increasing the enrollment. Pre-enrollment is in progress and anyone interested should call the school for more information.

"We are trying to get the count up," Vrazel said, "before we can even attempt to open the school next year."

"We have an absolute need for community support," he concluded.

Election.....CONTINUED FROM PAGE 1A

ficient election process.

Nell Koenenn and Lenette Necaise are opponents in the Hancock County School Board race.

Koenenn, a lifetime resident of Hancock County, said she has been involved in the operations and the problems of the school board all her life as the daughter of Ed Breland, former superintendent of Hancock County School System.

"I was involved in helping him and have learned the workings of a school board member," she said.

Necaise is a teacher at Hancock North Central.

"I believe my experience as a parent and teacher has given me insight to see the needs and problems of children in Hancock County," she said.

Election commission secretary Charles Gottschalk said the run-off

election should cost the county approximately \$5,000.

Votes will be cast in 21 of the county's 28 precincts. Precincts where there will be no voting include Waveland East and West, Courthouse, Central School and North Bay East.

"We expect a turnout of about 25 percent of the last election," Gottschalk said.

In the Nov. 6 election 10,298 of more than 15,000 registered voters in Hancock County cast ballots.

"This run-off election will be expensive per vote," he said.

In the Edwardsville and Arlington precincts only about 10 persons will be eligible to vote in the election.

"It will be a long day for the poll workers to sit there and wait for maybe only a couple of voters," Gottschalk said.

Corps extends deadline for comment

The period for accepting public comment on a report concerning shallow-draft navigation at Port

Bienville Industrial Park has been extended. The report was released Sept. 28

by South Atlantic Division Engineering and the Mobile District Engineer of the U.S. Army Corps of Engineers.

The deadline for comments on the report, which concerns the feasibility of making improvements for shallow-draft navigation at Port Bienville, was originally set for Oct. 31 but has been extended to Nov. 30, according to Corps of Engineers Col. John W. Devens.

All comments should be sent to the Board of Engineers for Rivers and Harbors, Kingman Building, Fort Belvoir, Va., 22060-5576.

The board will review the report and will consider all comments received before the deadline in completing the review.

Treutel-Schmidt

Mr. and Mrs. David Allen Treutel, Sr. of Bay St. Louis announce the engagement of his daughter, Melissa Anne Treutel, to Charles Theodore Schmidt, son of Dr. and Mrs. Frank Lamar Schmidt of Pass Christian, Miss. The bride-elect is also the daughter of the late Karen Kergosien Treutel.

Miss Treutel is a graduate of Our Lady's Academy in Bay St. Louis and the University of Mississippi, where she received a bachelor of arts degree in English. She is currently pursuing a master of arts degree in secondary education from Tulane University. She is a member of Sigma Tau Delta honor society and Kappa Delta social sorority. Miss Treutel is employed with Carrollton Presbyterian School in New Orleans, La.

The bride-elect is the granddaughter of the late Mr. and Mrs. Peter Joseph Treutel and Mrs. Horace Leonard Kergosien and the late Mr. Horace Leonard Kergosien

of Bay St. Louis.

Mr. Schmidt, whose mother is the former Shirley Anne Connaughton, is a graduate of St. Stanislaus High School of Bay St. Louis, and the University of Mississippi, where he received a bachelor of science degree from the School of Pharmacy.

While attending Ole Miss, he served as president of the School of Pharmacy. He is a member of Who's Who Among Students in American Universities and Colleges, Kappa Psi professional pharmacy fraternity, and Chi Psi social fraternity. He is employed with Super D Drugs in Jackson, Miss.

The prospective groom is the grandson of Mrs. Charles Theodore Schmidt and the late Mr. Charles Theodore Schmidt of Bay St. Louis and the late Mr. and Mrs. James Victor Connaughton of Covington, La.

The wedding will be solemnized January 5 at Our Lady of the Gulf Catholic Church.

Clubs, Auxiliaries

VFW Post 3253, Auxiliary

The Theodore S. Price Veterans of Foreign Wars Post 3253 of Bay St. Louis, members and auxiliary, participated in the annual Fall Festival for the Veterans Medical Center, Gulfport, Oct. 10. The VFW members and auxiliary served cakes, cookies and candy to the disabled patients of the hospital.

Roland Wohlschlegel, hospital chairman, VFW Post 3253, coordinated the function and reported the affair was a great success.

J. P. Smith, chief of Voluntary Services, Veterans Medical Center, sent a letter of thanks to VFW Post 3253 and to the auxiliary for the time and effort in this contribution to a very special and enjoyable evening for the hospitalized veterans.

Bay-Waveland Garden Club

Members of the Bay-Waveland Garden Club were presented a tour of Yorkshire, England; Scotland and the Islands of Iona, Mull, and Skye by Mrs. Rene de Montluzin. The slides depicted the birthplace and home of Charlotte and Emily Bronte; Lord Byron and Robert Burns, renowned poets of Scotland.

Mrs. de Montluzin explained the historical significance of the islands off the coast of Scotland. Christianity was established in 563 in the Isle of Iona. It is also the burial place of King Duncan and King Macbeth. The Isle of Mull is a bird sanctuary.

Several slides showing the flowers native to England and Scotland were shown among which were the Hawthorne tree, Queen Ann's lace, fox-glove, the iris and many rock gardens.

The devotion was given by Mrs. Clarence Ladner.

A letter of appreciation from Juanita Miller, a former member, was read by Mrs. John Newkirk, president.

The Civic Beautification Award was given to the Bay St. Louis City Hall.

The Garden of the Month award was won by Mr. and Mrs. Chris Fox, 122 St. Charles in Waveland and Mr. and Mrs. Samuel Harville, 140 Lakewood Drive.

The Swedish ivy was the subject on horticulture researched by Mrs. Edward Brennan.

Floral arrangements were placed in the Bay St. Louis library and in the Waveland library.

Hostesses for the meeting were Mrs. Julian Lorenzen, chairman; Mesdames Fred Bookhardt, Jack Mohr, Randle Hatton, Richard St. Pe', Boyce Walker, Edwin Larroux, R.J. Griffin, John Cook, Theodore Thomas and Dan Russell.

GOLDEN ANNIVERSARY—Mr. and Mrs. Joseph Hoth celebrated their 50th wedding anniversary with renewal of their vows at Our Lady of the Gulf Church with Father Henry McInerney officiating. A reception was held at the Landmark Town Square, hosted by their son and daughter-in-law and three grandchildren. They are natives of New Orleans where they were married on September 9, 1934 and are now residents of Bay St. Louis. Mr. Hoth is retired from the Sewerage and Water Board of New Orleans.

Pursley, Ramakis and Tartavouille to debut with Bay Little Theatre

A unique setting will unfold on stage at the Bay St. Louis Little Theatre in early December with BSLT's production of Kevin Wade's "Key Exchange."

This two-act comedy is the first play Wade has written and the vehicle exhibits the author's quick, off-the-wall wit and smooth style, a theatre spokesman said.

Key Exchange follows the lives of three hip young New Yorkers, Phillip, Michael and Lisa who cycle together every weekend.

The ups and downs of their relationships and a surprising ironic twist in the way things turn out for all of them presents a humorous and understanding view of love in today's world.

Three new performers are cast for the show—Bernard Ramakis as Phillip, Carla Tartavouille as Lisa, and Herbert Pursley as Michael.

Each brings a freshness and sparkle to the parts.

Donna Tingstrom is producing Key Exchange; Tim Bourgeois is stage manager and technical director; Laurie Kiefer Byrd is directing.

Production is set for Thursday, Friday and Saturday, Dec. 6, 7 and 8 at the playhouse on Boardman Avenue.

Tickets may be purchased at the door for \$6.

Due to the fact that this play contains adult material, it is not recommended for children Tingstrom pointed out.

Boys Town Choir concert slated Tuesday in Biloxi

The Coast Episcopal Schools in Bay St. Louis and Pass Christian are sponsoring an appearance of the Boys Town Choir on its 39th annual concert tour at Mississippi Coast Coliseum in Biloxi Tuesday at 8 p.m.

Boys Town is a home for abused, abandoned, neglected and handicapped youth from throughout the United States.

Directed by Frank D. Szynskie, the 10 to 18-year-old choirboys project their artistry through a variety of music.

From angelic soprano to resonant bass, they offer lilting Viennese waltzes, folk songs and calypso, musical comedy and classical polyphony.

Medieval Twelfth-Night pageantry mingles with modern pop. The boys are equally at home with Mozart's "Wienlied" and Simon and Garfunkel's "Bridge Over Troubled Waters."

The choir, which is 43 years old, was founded by Monsignor Francis P. Schmitt. Father Schmitt saw music's value for cultural training and morale building. The choir has performed in nearly every state in the Union.

Trips outside the United States have taken them into Canada several times, in 1968 to Japan for a six-week concert tour and in 1966 to pre-Castro Cuba for 10 days of benefits to help start a Boys Town equivalent in Cuba.

The current itinerary covers the Midwest and southeastern United

States.

When the choir performed for the first time in St. Paul, Minn., a record was set for the largest audience ever to hear a boys' choir in concert in the United States. More than 9,000 people crowded into the St. Paul Auditorium. That record was broken later when the choir performed in Milwaukee, Wis., before a crowd of 10,000.

The choir, which critics have called "second to none, superior to most," has recorded seven albums, the most recent being the choir's "Christmas at Boys Town" which began national distribution at Christmas 1978.

Everywhere the choir goes, Boys Town alumni, many now middle-aged, greet the current bunch of lively boys with affection. Many of the alumni have sung on previous tours, so there is plenty of talk about the "good old days."

On days without a scheduled concert, the boys like to visit historic sites or scenic areas, so the tour is preceded by a study of the areas to be covered.

Being a member of the choir is not all enjoyment though. It does not mean an "excuse" from school and academic studies. The boys must maintain their classwork. Schoolwork to be missed during the fall tour is "made up" in advance.

When the choir comes home to Boys Town in December, it is estimated that more than 265,000 miles will have been covered.

ETV Brief

THE ISLANDER

"The Islander," Mississippi ETV's award-winning half-hour documentary film about the late artist Walter Anderson of Ocean Springs, will be rebroadcast at 7:30 p.m., Tuesday, Nov. 27, and again at 5 p.m., Sunday, Dec. 2.

Starring James Best as Anderson, "The Islander" was first seen on Mississippi ETV in September 1977

and nationally on the Public Broadcasting Service (PBS) in February 1978.

It was filmed on location on the Mississippi Gulf Coast and Horn Island and is based on extensive interviews with Anderson's wife and children and on the logs he kept on his retreats to Horn Island. The film dramatizes events described in the logs and utilizes flashbacks to portray the artist's life on the mainland.

Sealed bids for roof replacement or roof refurbishment at the Lakeside Villa Condominium, Diamondhead, Bay St. Louis, Mississippi for the Lakeside Villa Condominium Association will be accepted at 2:00 p.m., November 29, 1984 at the Mississippi Room at Fairway Villa, Diamondhead.

The work being bid is as follows: There are two different schemes of work to be bid. One scheme proposed will be roof repair and refurbishment while the second proposal will be for roof replacement.

One or both schemes can be bid without penalty or disqualification. The repair and refurbishment scheme involves raising and supporting all existing parapet roofs so that no part of the parapet roofs come in contact with a new 4-ply roof; repair and refurbishment of the parapet roofs; securing parapet roofs to the existing structure; installation of a four-ply membrane roof under the parapet roofs; and removal and re-installation of existing air conditioner compressors.

The replacement scheme involves demolition of the existing parapet roofs, and construction of new cabled roofs on the existing structure. On one-bedroom condominiums, air conditioning compressors are to be installed in recessed areas.

A \$5 bid security is required. Plans and specifications are available by submitting a non-refundable deposit in the form of a check for \$20.00 to Jules Lagarde, Architect, 122 Court Street, Bay St. Louis, Miss. 39520; or Mr. Robert Pflugfelder, Lakeside Villa Condominium Association, 747 Monahan Way, Bay St. Louis, MS 39520.

The Owner reserves the right to reject any and all bids or to accept the bid which in his judgement will serve his interest best.

Le Blanc honored with birthday party

Mrs. Helen Key Le Blanc, co-owner of Le Blancs "School of Swimming," of Bay St. Louis, was honored with a poolside party and buffet dinner celebrating her birthday on Sunday, Nov. 11. The party was sponsored by the honoree's daughter and son-in-law, Elleen and Pat Mashburn, of Baton Rouge, and by her sister-in-law, Mrs. Janet Edwards Key, of New Orleans.

The Reverend Father Francis Farrell, pastor of Our Lady of the Gulf Catholic Church, said the blessing. The home and pool were decorated with flowers and centerpiece, courtesy of Sam and Barbara Scaffidi of the Evergreen Nursery and with a variety of hanging plants. A bromeliad bed was featured poolside, courtesy of Mr. Charles Gottschalk.

Other guests from Bay St. Louis were the honoree's husband, Mr. Clyde John Le Blanc, Dr. Marion Wolfe Sr., and his daughter Helen; Dr. and Mrs. Marion Wolfe Jr.; Mr. and Mrs. Larry Larroux; Mr. and Mrs. George Di Benedetto; Mrs. George Seuzeneau Jr., and Mr.

Charles Gottschalk. Guests from Waveland were Mr. and Mrs. J. S. Blanchard and Mr. Bob Shiba.

Other guests from New Orleans were Dr. and Mrs. W. G. Rivenbark; Sister Julie Blanchard, Daughter of Charity and daughter of Mr. and Mrs. J. S. Blanchard of Waveland; Mr. and Mrs. Jim Farris; Mrs. J. Henry Larose Jr.; Michael Plunkett and his son Brian, a resident of Pass Christian, grandson of Mrs. Le Blanc.

Other guests from Baton Rouge were Mr. Pat Mashburn and Mrs. Le Blanc's grandsons, Kevin and Pat Mashburn; Mr. and Mrs. Brick Calvit; Mr. and Mrs. Leonard Le Blanc and Mr. and Mrs. William J. Le Blanc.

From Gonzales, La., Mrs. Lloyd Le Blanc, and from Donaldsonville, La., Mr. and Mrs. Louis G. Le Blanc.

Mrs. Helen Key Le Blanc wore a long black and white striped gown of silk and taffeta decorated with a white orchid corsage with a purple throat.

BAYSIDE FIRE STATION—BaySide Park Volunteer Fire Department has occupied its new fire station on West Hinds Street in the subdivision. The station houses two fire trucks with an addition of a kitchen, two rest rooms and an office planned. Construction was completed by Kenny Crawford, Thomas Naro and Chief Dave Ellspermann. The department plans a formal opening of the station in February. Membership dues are due now, and those interested in joining may call 467-9771; the chief reminded.

St. Rose parishioners staging benefit show

Rehearsals are underway for "Twas the Night Before Christmas" a Christmas show to be presented as a fund raising event for St. Rose Parish's Mother of the Year contest, Mrs. Marilyn Williams, on Dec. 1 at St. Augustine Gym.

The Mother of the Year contest is sponsored by the Hancock County NAACP annually. Contestants are sponsored by local churches and civic groups.

"Twas the Night Before Christmas" centers around the show's host, Calvin Smith, who interviews various people to find out how people of today feel about Christmas.

Other characters are a church lady (Mrs. Gwen Ishem), a teen dance group (Mutakabbir Shabazz and David Joseph), Ghost of Christmas Past (Richard Perkins),

a young couple (Pat Gibson and Craig Singleton), guest speaker (Ron Henigan), a singing group (Philip Williams, Harold Wilkerson, Robert Weaver and Michael Boggs), a fashion show (Mrs. Anne Bradley, commentator), Santa Claus (Maurice Singleton), and The St. Rose Little Peoples Choir.

The show was written and directed by Charles E. Joseph with Sam Sheppard as executive producer and Sharon Alexander as fashion co-ordinator operating under the banner, "Excaliber," a production company.

Tickets are available from Mrs. Williams, 467-2464 or 467-7215; Sam Sheppard, 467-2470; or Sharon Alexander, 467-5571.

Tickets will be available at the door.

ETV Brief

INSECT CONTROL

"Farmweek" has stories on Mississippi's hog industry and the highlights of the annual insect control conference held at Mississippi State University when it airs at 7:30 p.m., Monday, Nov. 19 on Mississippi ETV.

Hog production has dropped by about 140,000 head in the past four years. "Farmweek" reporters look into the reasons for this decrease and the possibility of a future increase as they interview experts.

Pointers on insect control that will be beneficial to the state's agribusinesses will be the focus of the report on the MSU conference.

Junior High Tigers win Mullet Bowl

By BRENDA HEATHCOCK

Shutting out Long Beach Thursday night, the Bay St. Louis Junior High Tigers took a 22-0 victory over the junior-high Bearcats to win the 10th annual Mullet Bowl.

The bowl game was the second meeting of these teams. During regular season play the Long Beach team had come out on top with a 16-0 win.

Tiger head coach Gary Blaize said he believed the past loss at the hands of the Bearcats had helped prepare the Tigers for the game.

"The team was really fired up and they were mentally ready for the game," Blaize said.

"Although the team was outmanned physically, they did a superb job," he said. "I might have been scared myself if I was a 140-pound player up against those players."

Blaize said the Long Beach team had the biggest players of any team the Tigers have played this year.

"The players just went out and did what they had to do and were aggressive the entire game," he said.

The game remained scoreless the entire first quarter and much of the second quarter until with only a couple of minutes left on the clock, Brian Laneaux scored.

Quarterback Chad LaFontaine pitched the ball to wide receiver Dante Curry who pitched it back to Laneaux who ran 35-yards for the touchdown.

The extra point was no good and the Tigers had a 6-0 lead at halftime.

A six-point lead wasn't enough for the Tigers who came on the field in the third quarter and scored on the kickoff return.

Laneaux took the ball 83 yards to score.

Bay St. Louis added two points to the score when LaFontaine connected with Aaron Wavers in the endzone for the two-point conversion.

The Tiger defense held the Bearcats scoreless although the Long Beach players drove the ball into Tiger territory in an effort to score.

The drive was halted by a Bearcat fumble recovered by Bay St. Louis.

The final Tiger score was made in

the final minutes of the game by Laneaux.

"We were actually just trying to kill the clock and Laneaux broke to the right, saw a hole and ran into the endzone," Blaize said.

LaFontaine connected again for the extra points giving the Tigers a final score of 22.

Blaize said the offensive line had done a fine job throughout the game and everybody on defense had played an outstanding game.

Offensively Laneaux led the Tigers, gaining a total of 305 yards. He was followed by Aaron Wavers with over 100 yards.

The Tigers finished the season with an overall record of 6 wins and 3 losses.

Six members of the Tiger squad were named to the All Conference team. They include Brian Leaneux, Daryl Booker, Dante Curry, Doug Rhodes, Buddy Bourn and Jerry Island.

Island was also named the Most Valuable Defensive Lineman in the conference.

MOVING THE BALL—Aaron Wavers, (32), running back for the Bay St. Louis Junior High Tigers, looks for an opening Thursday night during the Mullet Bowl while Tiger quarterback Chad LaFontaine (11) watches.

Local doctors open Diamondhead clinic

By ELLIS CUEVAS

The new Diamondhead Medical Clinic at 4410 West Aloha Drive is scheduled to open Monday.

Five medical doctors with Bay St. Louis practices and one Pass Christian psychologist are scheduled to staff the multi-specialty clinic, providing medical care to the people of Diamondhead and surrounding areas.

The doctors include Thad Carter, MD, urology; Bert Chevis, MD, family practice; James Crittenden, MD, internal medicine; Joseph Lee, MD, surgeon; John Stripling, MD, urology; and Catherine Lundy, Ph.D., psychology.

All doctors indicated the Diamondhead Clinic is opening because there is a need for medical services in the area and are a complement to Hancock General Hospital.

Dr. Chevis, a Hancock County native, said, "The Diamondhead area is rapidly growing, and we are glad to be out here, as we felt there was a need for such a clinic."

A receptionist is scheduled to be

on duty Monday through Thursday from 10 a.m. to 8 p.m. and Fridays from 10 a.m. to 5 p.m.

The physicians hours are Mondays, 10 a.m.-8 p.m.; Tuesdays, 3 p.m.-8 p.m.; Wednesdays, 10 a.m.-8 p.m. (surgery, 2 p.m.-5 p.m.); Thursdays, 10 a.m.-8 p.m. (urology, 2 p.m.-5 p.m.); and Fridays, 2 p.m.-5 p.m.

A reception was held Wednesday night at Diamondhead's Fairway Villa sponsored by the clinic's doctors and Hancock General Hospital.

More than 200 residents of Diamondhead and surrounding area attended the reception.

Phil Langston, HGH administrator, said, "It was a tremendous turnout and we are glad to see the interest in this new clinic. It will be an asset to HGH and Hancock County's continued growth."

Dr. Stripling stated, "We are already seeing a lot of folks from this area and it has been obvious there was a need for the clinic."

"The group we have put together can provide medical care needed in a convenient manner for the area

residents," Dr. Stripling added.

Dr. Lundy, a psychologist with a Pass Christian practice, said she would be at the clinic on Mondays offering her services to families, children and individuals.

Dr. Lee, a surgeon, commented, "Hancock County is growing, and we feel our new clinic will complement the growth of Hancock County and Hancock General Hospital."

Diamondhead resident Walter Gex said, "This new clinic is one of the greatest things to happen to this part of our county. The doctors will be helping Diamondhead and surrounding areas to have continued growth."

Drs. Crittenden and Carter indicated they were very impressed with the large turnout for the reception, and they too were very happy to be extending their Bay St. Louis practices to Diamondhead and its immediate area.

The clinic is located between the Diamondhead Motel and Peoples Federal Savings and Loan Association's branch office.

Jackson tonging reefs open

The Mississippi Commission on Wildlife Conservation ordered oyster tonging season for certain waters in Jackson County open at sunrise yesterday and close at sunset on Nov. 25.

These waters will re-open to oyster tonging at sunrise on Dec. 15 and close at sunset on Dec. 31.

Areas affected include Bayou Cumbest south of its confluence with Crooked Bayou, Bangs Lake, Heron Bayou, and Rigolets.

A daily possession limit of three sacks per boat will be imposed. All sacks must be tagged. Oysters of a size not less than three inches may be taken.

Oyster fishermen must check in at the Bureau of Marine Resources Enforcement Office in Jackson County (Old Truck Scales on US-90) prior to and after engaging in any oystering.

Cooperation with enforcement personnel with tagging procedures and other matters will be greatly appreciated, a department spokesman said.

BOWL GAMES

Due to publication deadlines, details of the annual Wendall Ladner Memorial and Gridiron Bowl football games will appear in Thursday's Sea Coast Echo rather than the Sunday edition.

Both games were scheduled for Saturday night, with the Pass Christian Pirates facing the St. John Eagles in the Gridiron Bowl at Pass Christian and the St. Stanislaus Rock-A-Chows facing the Pearl River Central Blue Devils in the Wendall Ladner Bowl at Hancock North Central.

"The team was really fired up and they were mentally ready for the game," Blaize said.

"Although the team was outmanned physically, they did a superb job," he said. "I might have been scared myself if I was a 140-pound player up against those players."

Blaize said the Long Beach team had the biggest players of any team the Tigers have played this year.

"The players just went out and did what they had to do and were aggressive the entire game," he said.

The game remained scoreless the entire first quarter and much of the second quarter until with only a couple of minutes left on the clock, Brian Laneaux scored.

Quarterback Chad LaFontaine pitched the ball to wide receiver Dante Curry who pitched it back to Laneaux who ran 35-yards for the touchdown.

The extra point was no good and the Tigers had a 6-0 lead at halftime.

A six-point lead wasn't enough for the Tigers who came on the field in the third quarter and scored on the kickoff return.

Laneaux took the ball 83 yards to score.

Bay St. Louis added two points to the score when LaFontaine connected with Aaron Wavers in the endzone for the two-point conversion.

The Tiger defense held the Bearcats scoreless although the Long Beach players drove the ball into Tiger territory in an effort to score.

The drive was halted by a Bearcat fumble recovered by Bay St. Louis.

The final Tiger score was made in

the final minutes of the game by Laneaux.

"We were actually just trying to kill the clock and Laneaux broke to the right, saw a hole and ran into the endzone," Blaize said.

LaFontaine connected again for the extra points giving the Tigers a final score of 22.

Blaize said the offensive line had done a fine job throughout the game and everybody on defense had played an outstanding game.

Offensively Laneaux led the Tigers, gaining a total of 305 yards. He was followed by Aaron Wavers with over 100 yards.

The Tigers finished the season with an overall record of 6 wins and 3 losses.

Six members of the Tiger squad were named to the All Conference team. They include Brian Laneaux, Daryl Booker, Dante Curry, Doug Rhodes, Buddy Bourn and Jerry Island.

Island was also named the Most Valuable Defensive Lineman in the conference.

Local doctors open Diamondhead clinic

By ELLIS CUEVAS

The new Diamondhead Medical Clinic at 4410 West Aloha Drive is scheduled to open Monday.

Five medical doctors with Bay St. Louis practices and one, Pass Christian psychologist are scheduled to staff the multi-specialty clinic, providing medical care to the people of Diamondhead and surrounding areas.

The doctors include Thad Carter, MD, urology; Bert Chevis, MD, family practice; James Crittenden, MD, internal medicine; Joseph Lee, MD, surgeon; John Stropling, MD, urology; and Cathrine Lundy, Ph.D., psychology.

All doctors indicated the Diamondhead Clinic is opening because there is a need for medical services in the area and are a complement to Hancock General Hospital.

Dr. Chevis, a Hancock County native, said, "The Diamondhead area is rapidly growing, and we are glad to be out here, as we felt there was a need for such a clinic."

A receptionist is scheduled to be

on duty Monday through Thursday from 10 a.m. to 8 p.m. and Fridays from 10 a.m. to 5 p.m.

The physicians hours are Mondays, 10 a.m.-8 p.m.; Tuesdays, 3 p.m.-8 p.m.; Wednesdays, 10 a.m.-8 p.m. (surgery 2 p.m.-5 p.m.); Thursdays, 10 a.m.-8 p.m. (urology, 2 p.m.-5 p.m.); and Fridays, 2 p.m.-5 p.m.

A reception was held Wednesday night at Diamondhead's Fairway Villa sponsored by the clinic's doctors and Hancock General Hospital.

More than 200 residents of Diamondhead and surrounding area attended the reception.

Phil Langston, HGH administrator, said, "It was a tremendous turnout and we are glad to see the interest in this new clinic. It will be an asset to HGH and Hancock County's continued growth."

Dr. Stropling stated, "We are already seeing a lot of folks from this area and it has been obvious there was a need for the clinic."

"The group we have put together can provide medical care needed in a convenient manner for the area

residents," Dr. Stropling added.

Dr. Lundy, a psychologist with a Pass Christian practice, said she would be at the clinic on Mondays offering her services to families, children and individuals.

Dr. Lee, a surgeon, commented, "Hancock County is growing, and we feel our new clinic will complement the growth of Hancock County and Hancock General Hospital."

Diamondhead resident Walter Gex said, "This new clinic is one of the greatest things to happen to this part of our county. The doctors will be helping Diamondhead and surrounding areas to have continued growth."

Drs. Crittenden and Carter indicated they were very impressed with the large turnout for the reception, and they too were very happy to be extending their Bay St. Louis practices to Diamondhead and its immediate area.

The clinic is located between the Diamondhead Motel and Peoples Federal Savings and Loan Association's branch office.

Jackson tonging reefs open

The Mississippi Commission on Wildlife Conservation ordered oyster tonging season for certain waters in Jackson County open at sunrise yesterday and close at sunset on Nov. 25.

These waters will re-open to oyster tonging at sunrise on Dec. 15 and close at sunset on Dec. 31.

Areas affected include Bayou Cumbest south of its confluence with Crooked Bayou, Bangs Lake, Heron Bayou, and Rigolets.

A daily possession limit of three sacks per boat will be imposed. All sacks must be tagged. Oysters of a size not less than three inches may be taken.

Oyster fishermen must check in at the Bureau of Marine Resources Enforcement Office in Jackson County (Old Truck Scales on US-90) prior to and after engaging in any oystering. Cooperation with tagging procedures and other matters will be greatly appreciated, a department spokesman said.

Sports Brief

BOWL GAMES

Due to publication deadlines, details of the annual Wendall Ladner Memorial and Gridiron Bowl football games will appear in Thursday's Sea Coast Echo rather than the Sunday edition.

Both games were scheduled for Saturday night, with the Pass Christian Pirates facing the St. John Eagles in the Gridiron Bowl at Pass Christian and the St. Stanislaus Rock-A-Chaws facing the Pearl River Central Blue Devils in the Wendall Ladner Bowl at Hancock North Central.
